

ScanNCut

ACCESSORIES

The World's First Home and Hobby Cutting Machine with a Built-in Scanner

ScanNCut, reinventing the cutting machine! The secret lies in the 300 DPI built-in scanner, making ScanNCut the only home and hobby cutting machine that allows you to take an image, photo or hand drawn sketch, scan it and precisely cut the shapes or outlines you want.

- No cartridges, PC or software required
- Cuts fabric with ease
- Perfect for DIY/Crafters, Scrapbookers, Mixed Media Artists and Sewers and Quilters
